# SCHOOL WEEKLY NEWS

## Summer Term: 23rd September

Dear Parents/Guardians

Maryport Town Council have arranged a 'Home Coming Ceremony' for the Paralympic athlete, Simon Lawson. Simon, a Maryport local, was competing in the wheelchair marathon in the Paralympic games in Rio and is a well-known figure within the local community. Maryport have really got behind him and his quest to be an Olympian and he has made the town of Maryport very proud by achieving his dream.

Simon will leave St Mary's Church at 10.30am on Friday 30th September, go along Curzon Street, up Senhouse Street and then to the Town Hall.

The council have asked school children to line the course and wave flags for Simon as he passes. The schools that will be in attendance are those within walking distance. Sadly, we cannot arrange transport for the whole school to be in attendance but if any parents wish to take their children to the parade then please let me know. I am happy for children to support this event and the local athletes we have. They will be expected back at school as soon as the parade has finished.

We have several trips lined up this week. Class 3 will be at a REACT Science experience on Wednesday and the whole-school sponsored walk is on Thursday. Please help your child raise as much sponsorship money as possible for the event. Let's hope for good weather but if it is looking like rain then please ensure that your child has appropriate clothing.

I have updated the events calendar on the website with some key dates (including parents' evenings) up until Christmas. Please look at the website and pop the dates into your diary.

We have recently been having the issue of lost jumpers. The only way for us to solve this problem is if parents ensure that their child's name is written inside the jumper. Please write their names on the inside label if you haven't already.

Thanks

Mr C Steele  
Headteacher
