SCHOOL WEEKLY NEWS

Summer Term: 30th September

Dear Parents/Guardians

We have had a really busy week here in school! Class 3 had a great trip to Lakes College on Wednesday and enjoyed a show called 'Glorious Blood'. The Science Museum (London) delivered the show in conjunction with the REACT foundation. They taught the children about blood and how important it is to us. We looked at the contents of blood and how circulation works. They even managed to squeeze in a small explosion to impress the kids!

NISCU (Northern Inter-Schools Christian Union) visited on Wednesday and the children thoroughly enjoyed their puppet show. The annual show focused on 'working together' this year and it always really helps the children to understand more about the values that we believe in as a school.

Finally, we all thoroughly enjoyed the sponsored walk on Thursday. The children that went to Whinlatter managed to find the Gruffalo and all had a great time exploring the forest trails. Children that went to Buttermere had to brave some blustery wind and some very heavy downpours but all completed the walk smiling. It is always lovely to take such a lovely and motivated group of children out on different adventures.

The children are looking forward to hearing how much we have raised so please help them collect in their sponsorship money and hand it in to a teacher or at the office as soon as possible. Thanks for all of your support.

Mr C Steele
Headteacher

Some of the things we will be learning about next week:

- EYFS—** u,r,h,b / ai,ee
Subtraction
- Class1—** Labels, Lists & Captions
Money & Numbers
- Class 2 —** Writing a folk tale
2D & 3D Shapes
